NEWLANDS AND THE TICKET.

The railroad gang in Esmeralda county has intimidated the electors of Hawthorne, press and all, to such an extent that no matter how strongly a man may feel towards the Silver Party, he is afraid to express himself that way. Two years ago, when H. M. Yerington was absent in "Europe" Esmeralda was solidly silver. This year there is a difference, and everything that he can do, in any way, is being done to pull Esmeralda into line with the rotten, debauched and prostituted old Republican Party. It is reported that H. M. is making a fight for Mr. Newlands, but that he is the only man on the Silver Ticket that will receive the support of the Yerington gang. The cause of this change of heart in some of the people who were two years ago with the Silver Party, is so apparent that the situation is ludicrous, and the traitors in the camp should be, and will be, held up to the scorn of all fair thinking men this Fall.—Lyon County Times.

In a case of that kind the voters of Esmeralda had better ascertain from Mr. Newlands if he proposes to allow H. M. Yerington to pick him out to support and fight the rest of the ticket. Newlands is the head of the Silver party in this State and with his election every nominee must go in, down to the Constable.

Newlands can easily regulate the acts of his over zealous supporters. Let him wheel the V. & T. in line in every county where the road runs, or his own political engine will be derailed.

There must be no mistake about this and he should see that matters are properly adjusted without delay.

WHERE DOES HE LIVE?

Judge Richard Rising has been Judge in this district for over thirty years, and in that length of time has drawn nearly \$200,000 from the State of Nevada in salary, but you cannot find where he pays taxes on a dollars worth of property in the State. His main residence is at the Palace Hotel in San Francisco.

We do not blame him for residing there if he chooses, but think it a little inconsistent for him to still want the people of this State to keep him in luxury in a foreign State. If he chooses to reside in San Francisco or any other part of California he has the right to do so, but he ought to look to the people there for votes to elect him to the fat position he has held so long. Mr. Rising's opponent, Hon. C. E. Mack, is a bona fide resident of Nevada. He keeps his family here, pays taxes in the State, and finds that Nevadans, who afford him a lucrative practice, are good enough to live with. His record is clear, and there is not a Silver party man in this judicial district who can find any substantial reason for not voting for him. In this county we believe Mr. Mack will run right along with the entire ticket. There is no reason why he should not. He is thoroughly qualified to fill the office, and it is the duty of the party to see that he is our next District Judge. So let it be.—Lyon County Times.

A leading farmer near Gridley, Cal., was discussing the low price of farm products, when his acquaintance said the low prices resulted simply from over-production. "Yes," retorted the farmer, "but its over production of d—d fools, and not of farm products."
